Saying Goodbye to Amie Allen
By Annie Scheffe, Communications & Marketing Assistant

Overseeing the youth and family programs, she has seen many families come through the Family Resource Center and has touched many of the children’s lives. For the last five and a half years, she has served the FRC with joy and strong character.

Amie Allen, the former youth and families program coordinator, began working at the FRC in June 2008, but said goodbye to the FRC on January 16, 2014. Even though we feel her absence, memories of her and her impact still remain.

Allen’s position included supervising children’s programs, working with Stillwater Public Schools and departments on campus to provide better service to our residents, updating the library collection (DVDs and books), planning large-scale events and other administrative duties.

She went above and beyond her duties as she started several programs during her time at the FRC.

“I helped to start our FGSH field trips (Woolaroc, Tulsa Ballet, A Christmas Carol, etc.) and summer field trips to zoos and museums for the children,” Allen explained. “I love to travel and many places that my husband and I visited in Oklahoma I thought residents would enjoy. I thought there was a need for residents to experience more of what Oklahoma has to offer. I also started the Parking Fundraiser during home football games which helps pay for our FGSH trip in December and our annual FGSH soccer tournament. My staff and I started various special interest programs, the most popular being our soccer program for ages 6 to 11.”

In all that she has done, Allen has collected several memories along the way.

“A few of the highlights from my time here include helping a group of children after programs take care of an injured American Robin (My husband and I took it to the small Animal Vet Clinic on campus), playing with the children during programs, helping with the Angel Tree program, laughing at the hilarious things that the children do and say, walking around in the evenings with my family and visiting with residents. Summers in FGSH are my favorite time of the year. We have so many fun outdoor activities for the kids during the summer including pool days and water days. We are also able to go on field trips like last year’s family field Trip to the Wild West Show at the Pawnee Bill Ranch and Museum.”

Allen hopes that the FRC building expands so that it will have the opportunity to provide more for its residents.

“I hope residents and children remember that I cared,” Allen said.

We will always remember her love and devotion for the FRC.
Each semester offers a fresh start, and I wish you all the best with your academic pursuits, personal goals and family life as you complete the Spring 2014 semester.

This semester we will again be looking at our budget needs for the coming year. We are currently evaluating whether we will have a rate increase in FGSH for the 2014-2015 contract year. Please be assured, we are doing our very best to control costs in order to provide you with the lowest cost possible. We want to thank everyone who participated in helping us control costs by keeping air conditioners/heaters running at reasonable temperatures, turning off unneeded lights, not running water unnecessarily and all the other things that make a difference.

Please remember that all FGSH residents must purchase parking permits. As we discussed in our community meeting in July 2012, OSU Parking and Transit services determines the cost of parking permits, and the cost of all OSU permits (including FGSH permits) will increase for the 2014-2015 school year. Please visit parking.okstate.edu for more information about parking permits.

As always, if you have any comments, concerns or questions about your experience in FGSH, please contact your AA, the FRC, or the FGSH office. As always, we will assist you in any way we can.

The mission of the Family Resource Center is to provide information and resources to individuals and families, with a particular emphasis on those living in FGSH. We assist residents in their adjustment to academic life and promote their success and personal fulfillment.
Ivy Boyce is currently a student at Oklahoma State University. She is pursuing a degree in Human Development and Family Sciences. Ivy comes from a large family including five siblings, five nieces, one nephew and a 4-year-old son, Tristan.

Her birthday is on April 12. One of her favorite meals is chicken and rice. In her free time, she enjoys painting along with sewing, drawing and DIY projects.

After graduation, Ivy hopes to go to law school and eventually work with struggling families. Ivy’s favorite movie is The Notebook.

Her favorite thing about the FRC includes working with kids of all ages from different cultures. Her favorite holiday is Thanksgiving. If she could go anywhere on vacation, Ivy would be found near a beach.

Her role model is her mom. An interesting fact about Ivy is that she played soccer for 7 years. Her favorite quote is, “it’s not the breath you take that matters, but the moments that take your breath away.” If you see Ivy around the FRC, be sure to say “Hello!”

Novi's hometown is Jakarta, Indonesia. Her birthday is November 18.

She said her favorite food is traditional Indonesian food.

Our resident of the month is Novi. She is currently a resident in the Williams neighborhood.

Novi’s favorite movie is the Devil Wears Prada, and she loves collecting shoes.

Her favorite place to go on vacation is Colorado. If you see Novi, be sure to say “Hello!”

Message from Former YFP Coordinator, Amie Allen

Over the last five and a half years, it has been my privilege to serve families in FGSH. I have greatly enjoyed my time here and am forever changed by the experiences and relationships that I have developed over the years. I treasure the time that I have spent getting to know the children, families and staff at the FRC and will take the knowledge, memories, and mission of the FRC with me wherever I am. I wish everyone the best in all endeavors and know that I am leaving the Youth & Family area and the FRC in very capable hands.
