2008-2009 DINING RATES

Meal Plan Charges

- Meal plans are based on a declining dollars system. Residents purchase a particular plan, and each time they eat in a dining option, a dollar amount is deducted from their balances. Please see the table below.
- A maximum amount may be carried over from semester to semester. To receive the carry over resident must have a Plan A-F for the following semester.
- Meal Plan holders can eat in any of the dining facilities regardless of where they live. Meals can be eaten at the convenience of the students: when they want, where they want, as often as they want.
